New Record: Kirsten Engel Reports Enormous Record-Breaking Second Quarter

Engel raised a record-breaking \$1.7 million in the Second Quarter of 2024

TUCSON, AZ — Democratic Candidate for Arizona’s 6th Congressional District, Kirsten Engel, [announced](#) that she has raised an astounding \$1.7 million in Q2 of the election year, setting a new standard by surpassing all prior records of what Arizona Congressional Candidates have raised in this particular quarter. This impressive haul grows her war chest to over \$3 million.

“I am so grateful for all the support we have received, and that our message is resonating with the voters here in southern Arizona,” **said Kirsten Engel.** “We’re hearing from people every day that they’re very concerned about their ability to make their own healthcare decisions, the safety and security around our southern border, and the rising costs of housing. Juan Ciscomani’s voting record and history of working alongside extremist organizations like the Patriot Academy are not the kind of representation that the voters of Arizona’s 6th Congressional District want or deserve.”

Engel faces Ciscomani in a rematch from 2022, where she lost by approximately 5,000 votes despite being outspent 6 to 1. She is committed to putting Arizona families over Washington special interests – that's why she has rejected corporate PAC contributions to her campaign, and is proud to have received more than 31,000 individual donations this campaign cycle.

Kirsten Engel is a mom, an environmental attorney, and a former State Legislator who has fought for years to restore funding to public schools, protect Arizona's natural resources, and make our communities safer. She's ready to take that fight to Washington to find common-sense solutions to the challenges we're facing here in Arizona's Sixth Congressional District.
